## Help keep our traditions strong..

The RMHS Music Boosters organization has a long tradition of great parent support for our Bands, Color Guard and Orchestra programs. As a result of parent involvement in the Music Boosters, we are able to help the students and directors on various projects and events.

The single most important project and fundraiser is **JAZZ IN THE MEADOWS!!!** Next year will be our 24<sup>th</sup> year of

running this huge event. The festival is the largest of its kind in the Midwest and involves over 65 schools from 7 different states putting on over 100 band and combo performances in our school!! Our festival is often viewed as the model for other festivals.

We will need everyone to help out! Mark your calendars now for Saturday, February 28, 2009. More info to follow...

## Help us continue to provide....

As a result of events, such as JAZZ IN THE MEADOWS, the Music Boosters are able to provide numerous opportunities for the students that would otherwise not be available.
