

## RMHS MUSIC BOOSTERS POLO SHIRTS

When it was decided that all RMHS Band members would order matching polo shirts, Music Boosters thought it would be nice if the parents could show their support for the bands by also purchasing shirts. These would be great for warm weather football games (especially Junior High Band Night), basketball games or Jazz in the Meadows. It would make the festival volunteers easier to spot for visitors with questions or in need of directions.

Music Boosters shirts are purple with a white/gold/black embroidered logo. **No exchanges** are possible since the shirts will be custom made based on our order. They are available in (men's) sizes small through XX-large. They are 100% cotton so please be sure to allow for shrinkage.

The cost of the booster shirt is \$25.00 (slightly more than the band shirt due to Music Boosters subsidy of the student's shirts). Checks should be made payable to "Rolling Meadows Music Boosters." (Only student shirts may be paid for from student account funds.) Order forms may be turned in to Mr. Buti at any time. Shirts are actually ordered two to three times a year – usually early summer, fall and just before Jazz in the Meadows (it depends on how many orders are received).
