Beginning on June 9, 2008 through August 1, 2008, the following Asbestos Abatement work will be conducted at Rolling Meadows High School. Work includes repair, removal and other response actions to small amounts of asbestos containing material. All work is conducted by licensed asbestos workers and supervisors in accordance with the IDPH, EPA and OSHA regulations. The work is generally conducted, whenever possible, in vacated areas and is monitored by a separate environmental consultant firm hired by the school district.
