Thanksgiving Food Drive 2016

From October 26th through November 10th, the RMHS Student Council and RMHS Rotary Interact will work together on the 2016 Food Drive. Interact will collect food from the local community and Student Council will collect food through seminars. The goal this year is to bring in 2,500 lbs of food to donate to the local food pantry in time for the Thanksgiving holiday. We will also collect dog and cat food to help provide support for families who have much loved pets, but are in need of assistance in providing for their needs. Click Here for the list of all food needed for a complete meal.
