Counselors

Each student will be assigned a counselor to assist with educational, personal, and career issues. Counselor assignments will be listed on the schedule that students receive during registration. To contact your child's counselor, call the numbers provided below. Counselors may be reached in the Student Services office. A student should sign up for an appointment with his/her counselor before/after school or during lunch hours. Appointments should be made for a time when the student is not in class, preferably during a study hall class, before or after school, or during a lunch period. Counselors are available at 7:15 a.m. Parent conferences with the counselors should be scheduled in advance. Appointments may be made by calling the counselor during the day.

Student Parking

Students are required to secure parking permits for the use of cars. Regulations governing the use of the school parking lot are shown below.

Expectations

Parking lot fees are: Full Year - \$190.00 Half Year - \$95.00; Replacement Tags - \$25.00 (1 semester)

Use of the school parking lot is a privilege granted by the school to qualifying students. A student's privilege to drive/park on campus may be denied as a result of flagrant violations of parking lot rules, attendance contract concerns, outstanding obligations, or any other school discipline violation. If a student's parking privileges are revoked, a refund will not be permitted. Exceptions to obtain a tag cannot be made due to a student's involvement in co-curricular activities or employment. Information as to the school's and parent's liability as well as parking lot regulations are included in the request for the parking permit and student application form. Please read carefully the parking permit and registration form before signing it.

Obtaining a parking pass

In order to qualify for a tag, students must provide a completed application signed by a parent on both sides, proof of valid insurance for the vehicle the student wishes to drive, a valid driver's license and full payment shown above. Students who receive a parking tag should attach it to the front left windshield of any vehicle he or she has included on the parking application form. If the student needs to utilize a car for a short period of time, even one day, which is not listed on the application form, he or she needs to notify one of the deans. Parking tags are non-transferable. A student driver in violation of this rule will have his/her parking tag revoked immediately.

All students must park in the posted student parking spaces provided. Vehicles may be removed from the designated parking area only at approved times and must be operated in a reasonable and safe manner. Reckless driving on school property will result in the revocation of parking privileges for a specified time as determined by the Dean. It could also result in police contact. Vehicles parked in non-designated areas (white striped lines, non parking spaces, visitors, and staff) will be towed at the owner's expense.
