

EMERGENCE

Rolling Meadows Orchestris proudly presents their 2019 Spring Concert, Emergence. The 37 dance company members have been working feverishly over the past 2 months to produce a dance concert that showcases a variety of styles. The concepts within these dances will engage audience members to merge into the artistry of movement. The concert consists of 15 student choreographed pieces and two guest artist pieces. RMHS Orchestris is telling their stories through movement, costumes, and production. This is a concert you don't want to miss!
